

# City of Greenwood

grounded & growing

**One of Clark Counties compact towns, offering many accommodations such as gas stations, hardware store, post office, park, museum, salons, pubs & eateries, multiple churches, banks and much more!**

**Greenwood, Wisconsin is located in the heart of Clark County. With a population of just over a thousand, it is a peaceful little city nestled on the banks of the picturesque Black River.**

**It's a community where its people take pride in their ongoing focus well into the future while keeping the relaxed, less complicated lifestyle of the past.**

**Whether you are a visitor or a resident, you are always welcome in Greenwood.**
